November 14, 2010

The following organization's quality management system has been assessed and registered by Intertek Testing Services NA, Inc. as conforming to the requirements of:

AS/EN/JISQ9100 – Revision B and ISO 9001:2000

Organization:

Taber Industries

Main Site: 455 Bryant Street, North Tonawanda, New York, 14120, USA

The Quality Management System is applicable to:

AS9100B: The Transducer division designs, manufactures, calibrates, and repairs pressure transducers for aerospace, military, and industrial applications.

ISO 9001:2000: The Materials Test and Measurement division designs, manufactures, and re-sells equipment used to test and measure characteristics of materials for a wide variety of industries as well as research and development laboratories.

ISO 9001:2000: The Kenco Press division designs and manufactures air-clutch or roller-clutch equipped presses and electric drive crimping presses, up to 20 ton.

The assessment was performed in accordance with the requirements of AS9104A. Intertek is accredited under the Aerospace Registrar Management Program.

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client and then only in accordance with the agreed upon Certification Agreement.
